

**Air and Hotel Miles** (any denomination)

Donation of air and/or hotel miles in any denomination will help to reduce the cost of air travel and lodging for NARAP volunteers traveling to conferences or to support our Affiliates.

Alumni Association Forum (\$3,000 annually)

We are seeking the support of one or more contributor(s) to help offset the cost of Alumni Association Forum software to support the launch of the NARAP Alumni Association in the first-half of 2017.

American Public - Health Wellness Materials (\$1,500 annually per Affiliate)

Each semester, NARAP Research Associates share health wellness materials with patients and visitor in our Affiliate emergency departments across the US. Sponsors of this wish list item will help to reduce the cost of developing, printing and packaging these health wellness materials.

Association Memberships (annual)

We are seeking donations to support NARAP's 2017 membership in the following associations.

- American College of Emergency Physicians (ACEP) = \$615/year
- American College of Osteopathic Emergency Physicians (ACOEP) = \$595/year
- Society of Academic Medicine (SAEM) = \$635/year
- Association of Clinical Research Professionals (ACRP) = \$150/year
- Association of Fundraising Professionals (AFP) = \$150/year

Conference Fees and Travel - \$1,200 (per conference). Total of 3 conferences.

We are seeking three donations of \$1,200 each to sponsor NARAP's participation in health care and educational institution conferences in 2017. The conferences provide a forum for engaging and building relationships with current and potential Affiliates, research partners, and educational institutions as well as sharing NARAP clinical research findings.

Data Collection Devices (\$500 each)

Apple iPads are used in by NARAP Research Associates in Affiliate emergency departments across the US to collect patients and visitor clinical research study data. Sponsors of this wish list item will help to fund these critically important data capture devices. Our 2017 goal is to fund 30 devices.

Digital Camera and Lighting Equipment - \$1,000 (one-time)

The acquisition of a digital camera and appropriate lighting equipment will allow the NARAP Marketing and Communications team to enhance the visual content in our marketing materials, newsletters, the NARAP web site and social media platforms.

NARAP Lapel Pins - \$500 (one-time)

NARAP Lapel Pins to be worn by NARAP Board Members and Volunteers.

Postage - \$1,200 (annually)

The annual cost of postage and packing materials for external mail utilizing the US Postal Service, FedEx and UPS.

Professional Photographer

We are seeking the pro-bono help of a professional photographer in the Fairfield, CT area to take photographs of NARAP Research Associations in action. One-day of your time will help to capture the images we need.

Relationship Management Software - \$2,500 (annually)

We are seeking the support of one or more contributor(s) to help offset the software costs to track and manage key stakeholder relationships with donors, clinical research partners, research associates and alumni. The software will also support NARAP's direct mail campaigns.

Research Associate Scholarships (\$250, \$500, \$750 and \$1,000)

Help to reduce the cost of tuition and books for Research Associates who has successfully completed their semester work and are now pursuing their advanced education leading to a career as a health care professional.

Research Associate Training Events (\$500 per event)

Sponsor the cost of producing and packaging training materials as well as the food associated with the Research Associate training events. These full-day training events are conducted three times per year in each of the fifteen NARAP Affiliates.

Trademarking of the NARAP Logo - \$700 (one-time)

Provide the trademark application fees to safeguard and protect the NARAP logo.

Video Production - \$500 (per video) Total of 10 videos.

We are seeking ten donations of \$500 each. These donations will be used to develop Research Associate training videos and videos targeted at key stakeholders communicating how they could benefit from a relationship with NARAP.
